Crash Reconstruction at Uxbridge College

Ruislip Manor Safer Neighbourhoods Team attended Uxbridge College with LBH's road safety team to help with a crash reconstruction. With so many more young drivers it gave them a chance to see the implications of driving under the influence of drugs, alcohol and the danger of speeding.

Ruislip Manor Safer Neighbourhoods Team Officers attended the Elm Park Dinning Club before Christmas to help with their annual Christmas dinners. The event was a great success and gave a chance for the members of the club to meet their local police officers, and also discuss any crime related problems and questions they had.

A local male arrested by PC Dave Butler for assault on a PCSO and Possession with intent to supply class A drugs has been found guilty at Harrow Crown Court and is pending sentencing.

A known male to police has been processed for an ASBO (anti social behaviour order). This order means that the male can not do certain things, for example can not be in company with another known offender or seen in a certain area. Great work by all of the North of Hillingdon Safer Neighbourhoods Teams.

The team have been gathering evidence against known youths within the ward and the local vicinity who have been conducting ASB around the ward. The information being gathered will contribute to an Anti social Behaviour Contract (ABC) and can lead to an **ASBO**.

Manor SNT recently assisted Notting Hill Housing association evict problem tenants from an address near West End Rd, one arrest also made, occupants now have to reside off the Manor.

Test Purchase Operation

Officers from Ruislip Manor SNT, LBH Trading Standards and the local Police Cadets worked together on an alcohol test purchase operation within Ruislip Manor. The operation was a resounding success with only one shop selling. This shop was dealt with by a fine and has had their details passed onto the licensing sergeant in Northwood for future reference.

Shenley Park Project

A shelter for Shenley Park is being proposed. The shelter will be situated near the playground area this will also include exercise equipment for general use. This will make an ideal place for everyone to enjoy the park rain or shine and enjoy exercise.
